

Saint Katharine Drexel Regional Catholic School

Embracing Leadership, Love, & Legacy

August 10th, 2016

Dear Parents:

Welcome to the 2016 – 2017 school year!

As you know, the Parent Association is an organization that exists as a partnership in education between our school and our parish families under the direction of the Pastors of Assumption BVM and St. Bede and the school administration. The continued goal of the association will be to organize many of the school’s functions, which are enjoyed by both the children and their parents alike. These ‘friendraisers’ include such annual events as the Enchanted Village and the Sweetheart Dance. In addition, the Parent Association has been given the task of organizing fundraising events for the school, namely through the Annual Golf Outing and Our First Time ‘Winter Gala’, in order to maintain the proper subsidy level and to provide funds for various capital endeavors, such as:

- New Smartboards
- Repairs and facilities maintenance
- Payment for New School Roof

As part of this association, we are asking again that each family contribute annual dues of **\$10.00** towards the Parent Association membership. Please complete the form below and return to school in an envelope marked ‘Parent Association.’

As was initiated last year, we will schedule two general assembly meetings (Nov. 14th and Spring date - TBD) in which the ‘state of the school’ will be addressed and we will present a speaker who will address a topic of relevance to us as parents. Parents who attend these meetings and have paid the aforementioned membership fee will have their names entered into a drawing of \$250 at each of these meetings. The dates will be provided on the website once they have been finalized.

In addition to the general assembly meetings, the traditional monthly meeting for all event committee members and volunteers for upcoming events have been re-established. Please refer to the website skdschool.org/home-school under Schedule of Meetings for a list of dates and times. **These are open to all parents** and we hope you do come out!

Also, please don’t forget to join our Facebook page – **St. Katharine Drexel Regional Catholic School**.

Again, we thank you very much for all of your assistance and support. It is only through your help and support that we are as successful as we are!

Sincerely,

SKD Parent Association
