Dear Parents,

On Tuesday, December 9th you are invited to join St. Katharine Drexel School community to celebrate Advent as we prepare for Christmas. Our children help keep us focused on the true meaning of Christmas through the celebration of “Carol Night”. Mrs. Lori Clark, our music teacher and choir director, and I produce a simple Christmas show. It is a combination of traditional Christmas songs and the narrated story of the birth of Jesus. We are looking for some students to be in the tableau, along with many, many singers. Some children need to be in costume while others will be in dress clothes. Please return the permission slip on the bottom of this letter to school by Monday, November 24th. Practices will begin after Thanksgiving.

We hope many of the children will participate in this very special celebration. It is an opportunity for our entire community to come together to share the joy of the Advent season with each other.

Kindergarten - Students who participate will be animals, such as camels, sheep, cows and donkeys. Be creative with the costumes.

First Grade - Students who participate will be angels. Please feel free to make the costume as angelic as you can.

Second Grade - Students who participate are shepherds. Use your imagination.

Grades 3 thru 8 - These students are invited to be a part of the Carol Night choir or the tableau. Participants in the Carol Night choir are expected to wear red and green dressy clothes. Students in the tableau are selected from grades 6, 7 and 8. Costumes will be provided to these students by school.

Please note – Members of the St. Katharine Drexel Concert Choir will be singing this evening. They will open the presentation with a special performance. SKD Concert Choir members do not need to sign up for Carol Night, they are automatically part of the program. Other students who want to sing on Carol Night will join the choir for the balance of the production.

If you have any questions please feel free to send me an email or give me a call. Thank you for your support in this venture. I’m looking forward to sharing the evening with you.

Sincerely,

Ms. Laura Clark
